Examination in Public – Phase 2 - Matter 11 - MLD's Responses to the Planning Inspectors Questions

Below are Medway Liberal Democrats' (MLD) responses and/or opinions to the questions raised by the planning inspectors in regard to Matter 11 in the Phase 2 Hearings (MLP/ED35).

Number	Additional Points and/or additional questions raised
11	**Matter 11 - Energy**
11.7	Why is there an inadequate policy regarding generation of energy via wind and solar?
11.8	Why there an inadequate policy for the storage of kinetic energy to potential energy?
11.9	Why has council not adequately investigated the use and production of tidal power along the Meway?
11.17	Why has this policy not been removed or amended, when in its current form it is not viable?
